with a bite for 1d4 damage.)

Area 5
This room contains a rack with several cloaks hanging from it.

Area 6
This chamber once housed a massive shrine to Unklar. The shrine was destroyed long ago, but the current occupants are in the process of rebuilding it. There are several large blocks of marble in the room and some cutting tools. A table is pushed up against the west wall and upon it are some paper and chalk and a small statue of Unklar.

A priest is in here as well. He is a master carver and is in the process of making the first cuts into the marble. He attacks anyone who enters the room who is not a member of the Cabal. If he has warning given by the dog in Area 4, he prepares himself for battle by casting his bless and other combat spells
